2-nd Transnational Partners meeting

Date – 22-23 May 2023

Location Sofia, Bulgaria

The Second Transnational Project Meeting was held in a hybrid way (in Sofia, Bulgaria, and online) on the 22nd and 23rd of May 2023. During the meeting, the consortium discussed the current state of the project and the next steps.

On the first day Continuum presented the e-learning platform and the structure of the training modules based on the 1st module of training (methodology of teaching seniors). The partners discussed the guidelines for preparing their modules.

We also discussed the Toolkit for involving seniors in civic participation: structure, methodology, and action plan. They were presented by Continuum and MaPa.

The second day was dedicated to the Quality and Evaluation plan, the Dissemination and administrative issues.

During the breaks we had some teambuilding activities which contributed to the bonding and getting to know the partners.
